

“We wanted to establish a gift to continue beyond our lifetime. An endowed memorial scholarship in Tom’s name was the perfect answer.”

E A S T E R N M I S S O U R I

Dear Friends,

We are honored to serve as co-chairs of the Board of Trustees, leading the effort to advance the mission of the Roman Catholic Foundation of Eastern Missouri. The generous gifts of many are evident in the remarkable impact of Catholic philanthropy in our community. The Foundation and its board are committed to fulfilling the vision of Archbishop Robert J. Carlson, seeking new pathways toward hope for those we serve.

The professional staff at the Foundation works diligently to connect donors with their philanthropic interests. Combining expertise and dedication, they help to strengthen Catholic ministries by collaborating with Catholic leaders and development professionals, assisting individuals and families in creating a legacy for the future.

In 2016, the Foundation continued to build on the core of success established in our first full year of operation. We have been blessed by the generosity of our donors and our volunteer board members, who together are helping to sustain the future of Catholic entities and causes in eastern Missouri.

We are pleased to present stories of hope in our second annual Report to the Community. We trust you will find inspiration in the stories of individuals, families and organizations included in this report. Each day, more and more people are impacted by our donors' gifts, lives are changed and our hope for the future is renewed.

Sincerely,

Nancy Ross Don Ross

A 1,000-Year Levee

Eastern Missouri is a uniquely Catholic region: our skylines and neighborhoods feature church spires and historic structures from every decade since the founding of the archdiocese. These churches, schools, hospitals and religious institutions are part of our legacy of faith. The Roman Catholic Foundation is dedicated to sustaining them as vibrant sources of faith and service for future generations of the faithful.

At the Roman Catholic Foundation we are investing in a new “1,000-year levee,” to ensure that the Catholic Church in our area will be secure – and ready to serve – throughout the third millennium.

Our predecessors established livelihoods of sacrificial generosity. Immigrant families donated portions of their incomes to build churches that celebrated their cultural heritage. Women and men answered the call to a Catholic vocation, often serving others on the frontier. Generation after generation, people have worked together to provide us this legacy of faith.

Today, we are called to use our resources to sustain this tradition of Catholic vitality for the future of our local church.

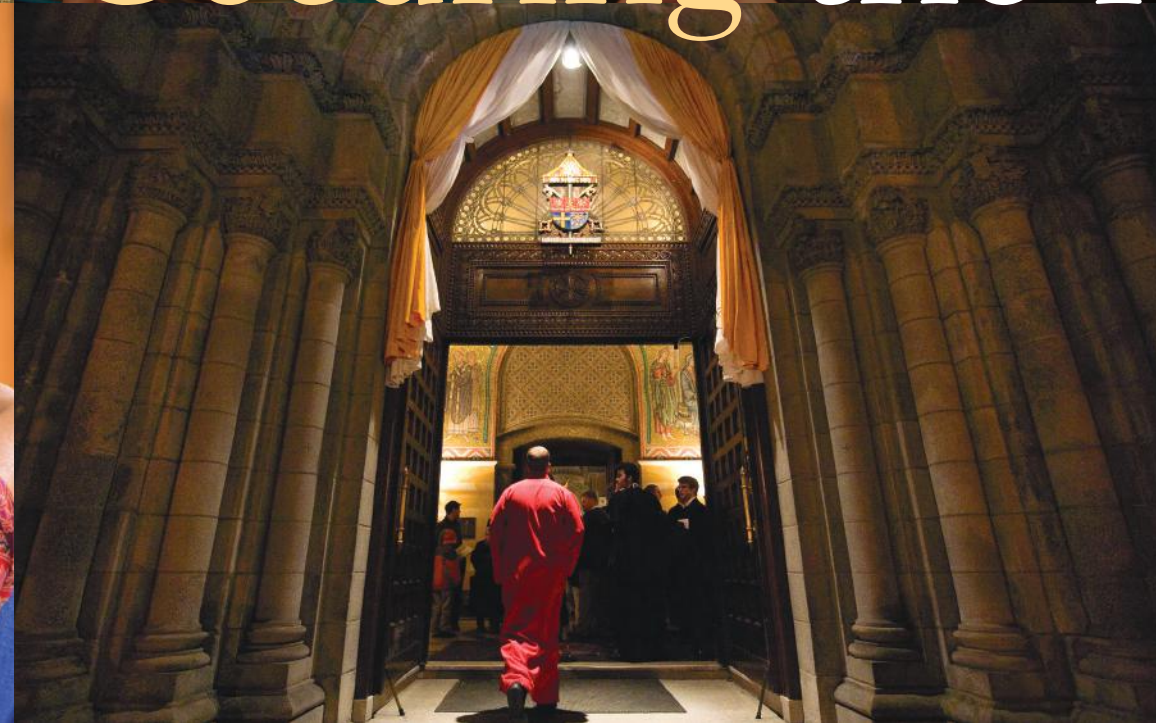

2016 Milestones

- *Beyond Sunday* campaign increased pledges by \$50 million
- Scholarships totaling \$2,418,500 were awarded to more than 1,200 students at 129 schools for the 2016-2017 school year
- Named the ninth largest charitable foundation in the St. Louis region in the 2016 *St. Louis Business Journal* Book of Lists
- 54 applications were received from 69 schools and PSR programs for *Beyond Sunday* curriculum enhancement and innovation grants

Securing the Future

Inspiring giving and connecting donors to Catholic ministries, sustaining the local church for future generations.

Since 1818, Catholic education has been an important part of the local church community. Parish elementary schools, archdiocesan and private high schools, and Catholic Centers on college campuses help shape the next generation of lay Catholics. Scholarships and school grants established through the Foundation help secure the future of Catholic education.

Planning a Legacy

Foundation Funds

Through the Foundation, donors can connect to their favorite causes and establish funds that best fulfill their philanthropic intent. The Foundation offers a range of long-term, tax-friendly solutions that meet each donor’s interests and vision. Endowment Funds create a lasting legacy by providing ongoing income to the Catholic organization of the donor’s choice. The initial gift is invested and a portion of the Fund is distributed over time, allowing the capital to grow. Gifts of any amount can be added to a Fund at any time; visit www.rcfstl.org for more information.

Established Funds listed here include the name of the Fund, the benefitting organization, and the location of the parish, school or ministry.

† Deceased

In Memory of the Life of West Point Cadet Thomas Surdyke

St. Pius X High School in Festus, MO, has always been a part of Tim and Jan Surdyke's life. Jan's grandmother worked in the school kitchens, her parents are alums, and both she and her husband, Tim, are graduates. Three of their four children, Elaine, Tom and Rose, attended the school – with youngest daughter, Francie, hoping to continue in her siblings' footsteps.

Tim and Jan's son, West Point Cadet Thomas Surdyke, died June 28, 2016, while saving the life of a non-swimmer on Long Island, New York. He was posthumously awarded the Soldier's Medal, the highest military honor awarded for a non-combat act of heroism. Tom was buried at the West Point Cemetery on July 4, which would have been his 19th birthday.

His parents established the Cadet Thomas Surdyke Memorial Leadership Scholarship Endowment Fund for the benefit of students at St. Pius X High School. Jan and Tim note that Catholic education is the foundation for ethical leadership in our world today – and they are impelled to do everything they can to further it and support it.

“We wanted to create something that will continue beyond our own lifetime,” says Jan. “Tom's life of sacrifice and leadership will be an inspiration to students. He was so young, yet led his life with conviction and strength of character.”

One of Tom's favorite Bible verses was “Iron sharpens iron, so one man sharpens another” (Proverbs 27:17). Whether as a student, an athlete on the football field or a participant in military training, Tom quietly set an example of selfless service. He was humble, willingly learning from others. In death, as in life, Tom continues his service to others as an organ donor – saving the lives of countless others.

Friends of the Cathedral Basilica Endowment Fund

The Cathedral Basilica of Saint Louis has been endowed with a gift that is dedicated to the preservation of the building, established by historian and preservation enthusiast Brian Abel Ragen. This endowment helps ensure that the stained glass windows, historic structure and world-renowned mosaics will be cared for in perpetuity.

Teacher Innovation in Education Endowment Fund

At St. Francis Borgia Regional High School, a new fund supports classroom and program innovations by teachers. This educational endowment helps provide a quality academic environment for all students.

Donna L. Koelling Memorial Endowment Fund

The Donna L. Koelling Memorial Endowment Fund provides ongoing support to Marygrove, located in Florissant, MO. This gift will help continue their 165-year legacy of offering a safe and healing environment for children and adolescents who are victims of homelessness and neglect.

Gloria Schraut (Estate Gift)

Gloria grew up attending St. Joseph Parish Elementary School in Imperial, MO, in the late 1920s. As an adult, she entered the Catholic Church and wanted to assist families seeking a Catholic education for their children. Through a planned gift created in her estate, Gloria will establish a fund to provide tuition assistance to students from St. Joseph Parish who wish to attend St. Pius X High School in Festus, MO.

A Generous Response

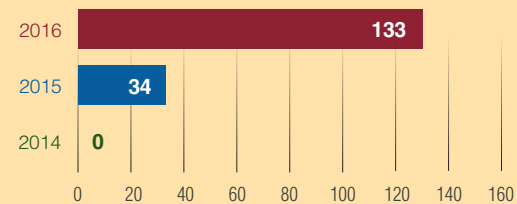

The *Beyond Sunday* campaign has been met with a generous response from the parishioners of the archdiocese, and is set to reach its \$100 million goal by mid-2017. Parishes, students and schools are benefitting in a direct way from the *Beyond Sunday* campaign. Forty percent of the funds raised in each parish campaign are returned to the parish to help with specific needs in that community, while the remaining balance, less campaign expenses, will be invested in the *Beyond Sunday* Education Fund. Enhanced spending in the first year resulted in an immediate impact: \$1.8 million for scholarships and \$4.7 million in parish share distributions. This enhanced spending will continue for four additional years.

The *Beyond Sunday* Education Fund is transforming Catholic education in three key ways, by providing:

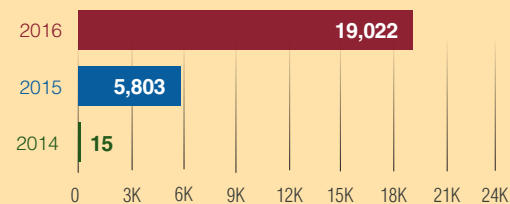

1. Scholarship support for middle-income families
2. Academic Capacity Enhancement grants to parish and archdiocesan schools, focusing on STREAM disciplines (Science, Technology, Religion, Engineering, Arts and Mathematics)
3. Transformational Innovation grants to enhance operational and business models in our parish and archdiocesan schools

Distributions Back to the Community

Feeding the Hungry

St. Joseph Parish has been serving the needs of the Farmington, MO, region since 1897. Over the parish's 120-year history the needs of the surrounding rural community have changed.

The poverty rate in the area climbed to 16.1% during the recent recession, creating an additional need for social service support.

At St. Joseph, the St. Vincent de Paul

Food Pantry is supported by a volunteer staff and donations.

As the local need increased, the parish began planning for a new facility: a separate building for the food pantry, to increase its size and serve more families.

Gifts from donors at St. Joseph Parish to the *Beyond Sunday* campaign have helped the parish meet this goal. Using the 40% of funds returned to the parish, the community was able to break ground on the new food pantry.

“I am excited about the *Beyond Sunday* campaign because it goes hand in hand with the vision of our future.”

Fr. Rickey Valleroy,
Pastor, St. Joseph Parish

“I am excited about the *Beyond Sunday* campaign because it goes hand in hand with the vision of our future,” says Fr. Rickey Valleroy, pastor at St. Joseph Parish. “Since we are a continuing, growing parish, I believe that this campaign will enhance and ensure the future of Catholic schools throughout the archdiocese, as well as allowing us to look toward the future here at home.”

Other parishes throughout the region will also benefit from the 40% returned to them through the *Beyond Sunday* campaign, including:

All Souls Parish
Repair the church bell support system in the bell tower

Basilica of Saint Louis, King Parish
Establish a preservation fund for future maintenance projects

St. Gianna Parish
Construct a chapel for Eucharistic Adoration

Our Lady of Providence Parish
Enhance accessibility areas throughout the parish campus

Our Lady of the Holy Cross Parish
Update and provide maintenance for the convent

St. Ambrose Parish
Enhance the existing STREAM lab at the school

St. Anselm Parish
Provide increased support to partner school in Haiti

Mary, Mother of the Church Parish
Enhance Catholic education for parish children, including the Parish School of Religion (PSR) program

St. Mary of Perpetual Help Parish
Support the Society of St. Vincent de Paul

St. Richard Parish
Restore church windows

Transforming Catholic Education

Educating Tomorrow's Leaders

The ***Beyond Sunday Education Fund*** supports families seeking a Catholic education at parish, archdiocesan and private schools throughout the Archdiocese of St. Louis. Elementary school students can benefit from tuition assistance, while select high school students have the opportunity to participate in the Foundation's *Beyond Sunday* Fellows program. In 2016, 100% of eligible Catholic applicants were awarded scholarships to Catholic elementary schools.

The **SOAR!** (St. Louis Opportunity and Achievement Realized!) Scholarship Fund relies on corporate and community giving to provide tuition assistance to underserved students, regardless of their faith, who attend or wish to attend select Catholic elementary and high schools within the City of St. Louis and North St. Louis County.

The Foundation partners with the **Today and Tomorrow Educational Foundation (TTEF)** for scholarship applications and administration. Parents complete a single application form online and are considered for financial aid available through TTEF, the archdiocese and the Foundation.

Streamlining the application process for families and partnering with other scholarship-making organizations help ensure the best possible stewardship of resources.

Beyond Sunday Fellows

Scholarships awarded by the Foundation are already making a difference in the lives of middle-income families throughout the Archdiocese of St. Louis. Students interested in joining a community of future Catholic leaders may apply for consideration to become a *Beyond Sunday* Fellow during the open application period each year.

In addition to receiving tuition assistance, *Beyond Sunday* Fellows participate in service activities, working with those in need. This immersive stewardship formation experience enhances the values instilled in Catholic school classrooms. The students also celebrate Mass and share breakfast with the archbishop, to connect with one another and the local Catholic Church. Students grow in faith through their shared experiences of service, Eucharist and fellowship.

Academic dedication, faith and leadership together help inspire the future leaders in parishes and the business community, ensuring a Catholic legacy for the future.

Beyond Sunday Fellows grow in appreciation for the apostolates and ministries supported by the Catholic Church through their participation in service activities and personal faith formation.

Future Leaders

Impact on the Community

The Foundation continues to fulfill its mission of connecting donors to their philanthropic passions. All funds are invested according to the Socially Responsible Investment Guidelines established by the U.S. Conference of Catholic Bishops (USCCB). The Foundation's investment policy mandates responsible stewardship by both seeking a reasonable (or competitive) financial return on its investments and doing so in a manner consistent with the social teachings of the Catholic Church. Investment screening includes the following areas: protecting human life (opposing abortion, contraception, embryonic stem cell/human cloning), promoting human dignity (fighting pornography), reducing arms production (nuclear arms, antipersonnel landmines), pursuing economic justice, protecting the environment and encouraging corporate responsibility.

From ensuring the care and upkeep of the Cathedral Basilica, to providing additional resources and leadership support to teachers, to caring for at-risk youth without a place to live, individual funds serve a variety of needs.

Investing in Education

Beyond Sunday grants to parish and archdiocesan schools are enhancing academic programs with a current focus on STREAM curricula (Science, Technology, Religion, Engineering, Arts and Mathematics).

These grants reinforce instructional capacity, with an emphasis on initiatives that can be replicated in schools across the archdiocesan school system.

Faith Alive in the Home (FAITH)

With a *Beyond Sunday* grant, St. Ann School in Normandy and Holy Trinity School in St. Ann will pilot a program to provide support for parents as their children's first catechists in the first years of life. The period between an infant's baptism and the beginning of school is a key time for connecting new parents to one another and to their faith, as their families grow and change.

St. Paul School STREAM Program

The curriculum enhancements at St. Paul Parish Grade School in Fenton, MO, will include a makerspace and support ongoing professional development for teachers. Through the upcoming school years, the school leadership plans to implement additional project-based technology and materials to prepare students for the future.

A Message from Archbishop Carlson

I wish to congratulate the leadership of the Roman Catholic Foundation on the successful completion of their second year of service, and thank everyone who made a gift to the Foundation to sustain the mission of our local Catholic Church for the future.

The Foundation is a reflection of the eight Beatitudes beautifully expressed in Jesus’ Sermon on the Mount. The opening verse, “Blessed are the poor in spirit, for theirs is the kingdom of heaven” (Mt. 5:3), illustrates how Christ transforms the world of prestige and power into one of mercy and meekness. The beatitudes turn the world’s values inside out by offering a radically different way to live. This new life in every Christian is exemplified in the mission of the Foundation.

I invite you to learn more about the Roman Catholic Foundation and to prayerfully consider a commitment to creating a permanent legacy to benefit your favorite parish, school or ministry.

Sincerely yours in Christ,
