Charity Recommendation Agreement

Important

As advisor, I recommend making this grant from the Donor-Advised Fund selected. I acknowledge that the grant recommendation to a qualified charity (grantee) must receive approval from the Roman Catholic Foundation. It is my belief that the mission and activities of the grantee do not conflict with the teachings of the Catholic Church. In accordance with IRS regulations, I affirm that: The recommended grant does not fulfill any portion of a pledge or other financial obligation of the advisor. And the recommended grant does not provide in return any goods or services or non-tax deductible benefit to advisor(s) or their family members.
