INDEPENDENT AUDITORS' REPORT

Board of Directors
Roman Catholic Foundation of Eastern Missouri
St. Louis, Missouri

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Roman Catholic Foundation of Eastern Missouri, which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Roman Catholic Foundation of Eastern Missouri as of December 31, 2022 and 2021, and the change in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Roman Catholic Foundation of Eastern Missouri, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Roman Catholic Foundation of Eastern Missouri's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Roman Catholic Foundation of Eastern Missouri's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Roman Catholic Foundation of Eastern Missouri's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

ROMAN CATHOLIC FOUNDATION OF EASTERN MISSOURI
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 ORGANIZATION

The Roman Catholic Foundation of Eastern Missouri (the Foundation) was organized on June 5, 2013. The mission of the Foundation is to connect donors and their philanthropic goals with the local Catholic Church. Parishes, schools, agencies, and charities throughout eastern Missouri will benefit from increased giving through the establishment of endowment funds. The Foundation has been organized to support these organizations in perpetuity.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Foundation have been prepared on the accrual basis of accounting.

Basis of Presentation

Financial statement presentation follows guidance set forth by accounting principles generally accepted for nonprofit organizations, which requires the Foundation to report information regarding its financial position and activities according to two classes of net assets: without donor restriction and with donor restriction.

Estimates and Assumptions

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Investments

Investments are typically reported at fair value. Gains and losses on sales of investments are generally determined on a specific cost identification basis. Unrealized gains and losses are determined based on year-end fair value fluctuations.

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of financial position.

Property and Equipment

Property and equipment are carried at cost, less accumulated depreciation and amortization computed using the straight-line method. The assets are depreciated and amortized over the following periods:

Computer Equipment	3 to 5 Years
Software	3 to 5 Years
Furniture and Fixtures	5 to 10 Years
Website Development	3 to 5 Years

ROMAN CATHOLIC FOUNDATION OF EASTERN MISSOURI
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

The Foundation leases office space. The Foundation determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets and operating lease liabilities on the statements of financial position. Finance leases are included in property and equipment and finance lease liability on the statements of financial position.

ROU assets represent the Foundation's right to use an underlying asset for the lease term and lease liabilities represent the Foundation's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As most of leases do not provide an implicit rate, the Foundation uses a risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the Foundation will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Foundation has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statements of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Foundation has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

Promises to Give

Promises to give, including those which are stipulated by the donor restrictions, are recognized as support in the period the promises are received and are recorded at the present value of estimated future cash flows. The Foundation provides an allowance for doubtful accounts equal to the estimated collection losses that will be incurred in the collection of all promises to give. The estimated losses are based on its assessment of the current status of individual promises to give and historical collection rates. Balances that are still outstanding after management has used reasonable collection efforts will be written off through a charge to the valuation allowance and a credit to promises to give. Promises to give expected to be collected after one year are discounted at rates ranging from 0% to 1.76%. See Note 7.

DECEMBER 31, 2022 AND 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Agency Receivables and Liabilities

The Foundation is currently raising funds through a campaign soliciting contributions from parishioners throughout the Archdiocese of St. Louis. A portion of these funds is being remitted back to each donor's specific parish. Of the funds raised in 2022 and 2021, \$108,955 and \$233,914, respectively, was for specific parishes. Agency liabilities are recorded when the parishioners' commitment is made to the Foundation, not necessarily when the cash is received by the Foundation. At December 31, 2022 and 2021, the amount due to these parishes from the campaign funds raised was \$227,471 and \$958,448, respectively. The agency receivable balance at December 31, 2022 was \$68,146, with the difference of \$159,325 reflected in investments due to timing of distribution due to parishes. At December 31, 2021, the agency receivable balance was \$193,323 with the difference of \$765,125 reflected in investments. The agency receivable and payable are also shown net of allowance and discount. See Note 7.

Amounts Due to Beneficiaries of Split Interest Agreements

During 2015, the Foundation was named the trustee, but not a beneficiary, of a charitable remainder trust. The trust assets held by the Foundation are included with investments at December 31, 2022 and 2021, and an equivalent liability is included with amounts due to beneficiaries of split interest agreements. The trust assets and equivalent liability are valued at fair value. The fair value of the assets and the related liability at December 31, 2022 and 2021 is \$546,059 and \$692,168, respectively.

During 2018, the Foundation entered into a net income makeup charitable remainder unitrust agreement with a donor for an irrevocable trust whereby a liability is recorded for present value of payments due to the beneficiaries. The excess of contributed assets over the trust liability is recorded as a contribution with donor restrictions. The liability for this agreement at December 31, 2022 and 2021 is \$235,555 and \$294,695, respectively.

The Foundation enters into charitable gift annuity agreements with donors, whereby a specified annuity amount is paid to the donors from the Foundation for the remainder of the donors' life. Upon termination of this annuity agreements, the remaining balance is transferred to various funds within the Foundation. The amounts received from the donors are invested with the Foundation's investments. The gift annuity payable represents the present value of the future contractual payments to the donors of \$571,644, and \$757,431 at December 31, 2022 and 2021, respectively. Included in this amount are agency funds of \$300,951 and \$342,111, at December 31, 2022 and 2021, respectively, which the Foundation holds and invests as an agent for parishes, schools, and other Catholic organizations.

Beneficiary Funds

Beneficiary funds are donor-restricted funds for the contributing Catholic organization, who is also the sole beneficiary. Although the Foundation retains legal ownership of beneficiary endowments through the irrevocable gifts contributed to the Foundation, because this is a reciprocal transfer, the Foundation must account for the fair value of these funds as both assets and liabilities on the statements of financial position in accordance with accounting principles generally accepted in the United States of America.

ROMAN CATHOLIC FOUNDATION OF EASTERN MISSOURI
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Assets and Contributions

Net Assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net Assets available for use in general operations and not subject to donor restrictions.

Net Assets With Donor Restrictions – Net Assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Foundation considers donor-advised funds as contributions with donor restrictions.

Donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. The Foundation has adopted the policy of reporting net assets released from restrictions upon completion of the donor purpose restriction, regardless of whether the related cash has been received.

Description of Program Services and Supporting Activities

The following program services and supporting activities are included in the accompanying financial statements:

Programs – The program component of the Foundation consists of all aspects of the Foundation's administration of scholarships, grant programs, and planned giving education.

General and Administrative – Includes the functions necessary to: maintain an equitable employment program; ensure an adequate working environment; provide coordination and articulation of the Foundation's program strategy; secure proper administrative functioning of the board of trustees; and manage the financial and budgetary responsibilities of the Foundation.

Fundraising – Provides the structure necessary to encourage and secure private financial support from individuals, foundations, and organizations.

ROMAN CATHOLIC FOUNDATION OF EASTERN MISSOURI
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expense Allocation

Expenses are charged to program services and supporting activities on the basis of periodic time and expense studies. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Foundation. The expenses that are allocated primarily involve allocations based on estimates of time and effort and square footage.

Income Tax Status

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is, therefore, exempt from federal income taxes on related, exempt income. The Foundation follows the accounting standards for contingencies in evaluating uncertain tax positions. Management believes all positions taken would be upheld when examined. The Foundation's federal tax returns are subject to examination by taxing authorities.

Subsequent Events

Management has evaluated subsequent events through March 27, 2023, the date that the financial statements were available for issue.

NOTE 3 CASH AND CASH EQUIVALENTS

The Foundation places its cash and cash equivalents not included in investments, with an original maturity date of three months or less, in accounts with banking institutions with strong credit ratings that are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, such amounts may be in excess of FDIC limits.

NOTE 4 INVESTMENTS

Investments consist of the following as of December 31:

	<u>2022</u>	<u>2021</u>
Cash and Cash Equivalents	\$ 5,600,185	\$ 8,471,577

ROMAN CATHOLIC FOUNDATION OF EASTERN MISSOURI
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4 INVESTMENTS (CONTINUED)

Net realized and unrealized gains (losses) on investments for the years ended December 31, 2022 and 2021 are comprised of the following:

	<u>2022</u>	<u>2021</u>
Unrealized Gains (Losses)	\$ (11,440,112)	\$ 2,803,528
Realized Gains (Losses)	(1,465,474)	3,658,237
Total	<u>\$ (12,905,586)</u>	<u>\$ 6,461,765</u>

NOTE 5 FAIR VALUE MEASUREMENTS

The Foundation accounts for certain assets at fair value as required by generally accepted accounting principles. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The valuation techniques are required to maximize the use of observable inputs and minimize the use of unobservable inputs.

There are three general valuation techniques that may be used to measure fair value, as described below:

Market Approach – Uses prices and other relevant information generated by market transactions involving identical or comparable asset or liabilities.

Cost Approach – Based on the amount that currently would be required to replace the service capacity of an asset.

Income Approach – Uses valuation techniques to convert future amounts to a single present amount based on current market expectations about the future amounts.

Assets measured and reported at fair value are classified and disclosed in one of the following three categories:

Level 1 – Quoted prices that are readily available in active markets/exchanges for identical assets.

Level 2 – Pricing inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly.

Level 3 – Significant pricing inputs that are unobservable for the asset and includes assets for which there is little, if any, market activity for the asset.

NOTE 6 LIQUIDITY AND AVAILABILITY

Financial assets available for grants and other expenses within one year of the statement of financial position date comprise the following at December 31:

	<u>2022</u>	<u>2021</u>
Cash and Cash Equivalents	\$ 1,093,684	\$ 600,064
Investments - Short-Term	8,947,544	9,409,963
Total	<u>\$ 10,041,228</u>	<u>\$ 10,010,027</u>

In addition to these funds available for general expenditures, the Foundation's board of trustees has chosen to charge a management fee to all funds based on monthly market value to cover general expenditures required to operate the Foundation. The management fee rate for most funds is calculated at a 1% annual rate on up to the first \$2 million, 0.85% on the next \$3 million, and 0.6% on the fund balance greater than \$5 million. Exceptions to this fee schedule are for agency funds, charitable remainder annuity trusts, charitable remainder unitrusts, and charitable lead trusts which is calculated at a flat 1% annual rate, and charitable gift annuity funds are calculated at an annual 1.5% rate. Fees are assessed on a monthly basis. Such management fee income and management fee expense is netted in the presentation of the statements of activities.

In addition to a management fee, the board of trustees has also approved a scholarship administration fee for all scholarships granted from the Beyond Sunday Educational Fund and SOAR! to cover expenditures incurred to administer the application and award process. The fee is \$50 per award per semester.

The assets above as of December 31, 2022 and 2021 include \$6,587,527 and \$8,864,110 in donor-advised funds, respectively. The Foundation generally uses these assets for grant making based on donor recommendations and considers the majority of these as with donor restrictions.

Endowment funds consist of donor-restricted endowments. Income from donor-restricted endowments that is restricted for specific purposes is not available for general expenditure. As described in Note 10, the Foundation's donor-restricted endowments are subject to an annual spending rate of 4.5%.

The Foundation invests cash in excess of daily requirements in short-term investments and money market funds. These short-term funds are accumulated and invested for operating expenditures, distributing funds to parishes as part of the Beyond Sunday Parish share distribution on a periodic basis, as well as funding scholarships and school grants.

NOTE 10 ENDOWMENT

The Foundation's endowment as of December 31, 2022 and 2021 consists of 94 and 110 funds, respectively, established for parishes, schools, and ministries in Eastern Missouri. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified, and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The board of trustees of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies net assets with donor restrictions at (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund not retained in perpetuity is subject to appropriation for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 10 ENDOWMENT (CONTINUED)

Interpretation of Relevant Law (Continued)

In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purposes of the Foundation and the donor-restricted endowment fund;
- General economic conditions;
- The possible effect of inflation and deflation;
- The expected total return from income and the appreciation of investments;
- Other resources of the Foundation; and
- The investment policies of the Foundation.

Funds With Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. We have interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law.

At December 31, 2022, funds with original gift values of \$2,862,112, fair values of \$2,654,327, and deficiencies of \$207,785, prior to accrual for payables for annual distributions at the end of year, were reported in net assets with donor restrictions. With board of trustees' approval, appropriations from these funds may be made in 2023.

There were no underwater endowment funds at December 31, 2021

Return Objectives and Risk Parameters

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by endowments while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity. Under this policy, as approved by the board of trustees, the endowment assets are invested in a manner that is intended to seek long-term capital appreciation and current income while assuming a moderate level of investment risk. The Foundation expects its endowment funds, over time, to provide an average rate of return that exceeds inflation by approximately 5.5% annually. Actual returns in any given year may vary from this goal.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate of return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that uses equity-based and fixed-income investments to achieve its long-term return objectives within prudent risk constraints.

ROMAN CATHOLIC FOUNDATION OF EASTERN MISSOURI
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 10 ENDOWMENT (CONTINUED)

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Foundation has a policy of appropriating for distribution each year a set percentage of an endowment fund's twelve quarter trailing average market value, ranging from 2.25% to 4.5%. In establishing this policy, the Foundation considered the long-term expected return on its endowments. Accordingly, over the long term, the Foundation expects the current spending policy to allow its endowments to continue to grow. This is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets held in, as well as to provide additional real growth through new gifts and investment return.

NOTE 11 RELATED PARTY TRANSACTIONS

During the years ended December 31, 2022 and 2021, related parties contributed approximately \$839,215 and \$870,712, respectively, to the Foundation. These contributions represent approximately 24% and 12% of total contributions for the years ending December 31, 2022 and 2021, respectively.

NOTE 12 RETIREMENT PLAN

Effective July 2018, the Foundation established a 401(k) plan covering all employees meeting certain eligibility criteria. Contributions paid by the Foundation for this retirement plan totaled \$22,082 and \$27,120 for the years ended December 31, 2022 and 2021, respectively, which are included in employee benefits.

NOTE 13 LEASES – ASC 842

The Foundation leases certain operating and office facilities for a term under long-term, non-cancelable lease agreements which expires in June 2027.

The Foundation entered into a lease for office space beginning in 2020 with payments of \$5,190 effective July 2021, and \$5,306 effective July 2022, with payments escalating annually through 2027.
